The Student Participation Committee
Stephenville High School
Stephenville, Texas

EDITOR'S NOTE

It has been the purpose of the staff to portray as clearly as possible the activities and interests of the students so that each joyous moment may not be forgotten but cherished in the years to come.

If these memories can later be refreshed by glancing through these pages, our work has been well rewarded.

DEDICATION

Because of her devotion to the Stephenville High School Yearbook and because of her patient and painstaking supervision of the publication of each of its editions, the staff affectionately dedicates this, the eighth volume of THE YELLOW JACKET to Miss Eoff.

I am glad that I did not entirely miss you this year—even though you didn't get to Home Room very often.

We expect you to be one of our leaders next year and we expect you to lead the right way.

You have so much talent and so many possibilities—make the most of them.

Best wishes for your senior year.
Vallie Eoff

Dear Harold J.-
 You certainly
 have made lots
 of friends while
 you've been here
 in high school,
 and you're
 really a favorite
 of every one, in-
 cluding me.
 Honestly, I've
 known you a
 very long time,
 but I am specifi-
 cally glad that
 I have known
 you this year.
 It's a shame you've
 been an inspiration
 to your classmates
 and teachers. I
 wish I could
 have had you in
 one of my classes,
 too.

Don't ever forget
 me. Sincerely-

Mary Lu (Thurman)

ADMINISTRATION BUILDING

BOARD OF EDUCATION

The success of any school system depends upon a group of public-spirited citizens known as the Board of Education. They sacrifice personal consideration for community progress.

For their untiring effort to maintain high standards for our school and for their unfailing enthusiasm in all of our activities the Staff wishes to thank these conscientious board members of Stephenville High School.

ADMINISTRATION

TO THE STUDENTS OF STEPHENVILLE HIGH SCHOOL

Although we entered and have passed through this school year in a state of uncertainty due to the world upheaval that is in progress it is hoped by the administration of this institution that we may look back on the accomplishment of the three objectives which we have had in mind. First, that we contribute all possible toward the successful prosecution of the war; second, that we might preserve the ideals of democracy and foster those activities that promote those ideals; and third, that we keep open minds so that we might progress educationally, morally, and spiritually.

The fine spirit of cooperation and mutual understanding between students, ex-students, teachers, and patrons has been the main contributing factor toward the realization of those objectives.

TO THE SENIOR CLASS OF 1944

During the present crisis we have come to realize more than ever before that an education fits one for service for himself and for his fellows. You have been in school eleven years and are now completing your work in Stephenville High School. You have been an inspiration to us; you have accomplished much; but of course you will not feel that you have made all necessary preparation for your future. I am sure that you will continue to better fit yourselves for service in a war-torn world. May success and happiness be yours.

On September 8, 1944, eighty excited and ingenious sophomores enrolled in Stephenville High School. After several days they became accustomed to their new places and settled down to become an asset to the school. They were fortunate in drawing Miss Hester as their sponsor and in having Monty Swatzell as their president. The outstanding event of the year was the presentation of a three act play, "Keeping Up Appearances." The sophomore boys were active in all types of athletics.

As Juniors this group continued to keep the good record they had made as underclassmen. They elected Edwin Lee Burnett as their president. Mildred Hensarling was chosen school sweetheart. In April the class play, "The Hco Doo," was presented. The last and biggest event of the year was the Junior-Senior Banquet, a really unique affair, for the hall was decorated to simulate a Hawaiian night club. The theme was carried out in the menu. Nor were ukuleles and grass-skirted girls absent.

This group made a splendid record for themselves in their final year at high school. Again Mildred Hensarling was elected school sweetheart. James Farmer was elected president of the class. In athletics and other sports the class was well represented. Practically the entire football and basketball teams were made up of seniors. Their class play was "Saved by the Belle," a clever and enjoyable three act comedy. Eight seniors were on the staff of the annual.

At graduation we will break regretfully the school ties. It is with confidence, however, we face the future. We hope that with the preparation gained in this school we may well fill our allotted places in the adult world.

On September 7, 1942, 90 lovable, but somewhat noisy sophomores enrolled in Stephenville High School. Taking some time to find out what High School was all about, they finally settled down and contributed much to their school. The most outstanding event of the year was the three-act play, "Faith, Hope, and Flarity."

In 1943 they re-entered Senior High School with the new and somewhat more important title of "Juniors." This past year has been filled with numerous activities. The never-to-be forgotten Junior play, "Dotty and Daffy" was given to provide means for the Junior-Senior banquet. The class participated in and won two bond drives, selling \$3,316.50 worth of bonds.

The students of the class of '45 are looking forward to their senior year in Stephenville High School although they regret that it will be their last.

During September seventy-three happy sophomores enrolled in Stephenville High School. The class met on September 20, 1943, and elected officers under the direction of Mrs. Porter.

The sophomores took part in two bond selling contests. Several members of the class took part in a round table discussion on "Our Town." This program was given in chapel, the Mayor and the chairman of the postwar planning committee for Stephenville being present. The class has presented the class play, a three act comedy.

The sophomore boys have been active in athletics. Danny Wolfe and Robert White lettered in football, an unusual honor for first-year students. A number of boys came out for football, basketball, and track; they worked hard for the privilege of playing on the team.

The sophomores are eagerly looking forward to the junior and senior years. They expect to accomplish much and have fun doing it.

SEASON REVIEW

The Jackets and their capable and popular coach started the football season encouraged by winning on the fighting Hamilton eleven 44-0. After this the Jackets prepared for one of the hardest battles of the season—the one with the North Side Steers. The game proved to be one of the most thrilling of the year, for, although the Jackets were rated the underdogs, they led the Steers all through the game until the final minutes when North Side rallied and put themselves in front 20-13, which was the final score. Next the Jackets were engaged in their 9-AA conference game with the Cisco Lobos. This was an easy victory for the Jackets. When the final whistle blew, the Jackets were in front 33-7.

One of the best games district 9-AA had to offer was with the Weatherford Kangaroos who had practiced long and hard with thoughts of upsetting the Stingers. The Jackets, who had a hard time getting started, in the fourth period, opened up to defeat their opponents 8-6. Next came the

Barter,

FOOTBALL

I am looking forward to working with you more. So far our association has been most pleasant. I know that you are going to make a success in football because boys with the attitude you have are always the most successful. The very best I wish to you.

Sincerely,
Coach

COACH WALKER

Mr. Walker came to Stephenville with a fine coaching record and took over the Jackets with much success. He worked hard in developing a fine team that will be long remembered. Much honor is due him for the long hours spent working with the Jackets.

all-important game with the Breckenridge Buckaroos. The Jackets, fighting hard all the way, just couldn't get started and went down to the defeat of 33-0. The next game on the Jacket schedule was against the Mountaineers of Mineral Wells; and the Jackets, working hard and fast, defeated the Resorters 44-14. The Jackets, still highly spirited, next met their old rivals, Dublin, whom they outscored 27-0. The game with the Ranger Bulldogs, was hard fought, but they weren't strong enough for the Jackets. The Stingers won 40-0.

For the Turkey Day game out team encountered the Brownwood Lions for the second place position in District 9-AA. The Jackets, playing with all of their ability, added another hard fought but well earned victory to their credit. The score was 27-6 in favor of the local boys.

When the 1943 season closed, the team and coach were highly praised for their successful work in winning the second-place honors of District 9-AA.

THE FIRST ELEVEN

FOOTBALL

LEON ROBERTS

GUARD

One of the toughest men on the team was Leon. His excellent work on offense and defense made him a great guard. He liked to give the opponents trouble. His fine work gave him a place on the All-District second team.

JOE DAY PAIR

BACK

Being out with injuries the first part of the season, Pair really came back with lots of hard play and hustle. A fine defense as well as offense man, he fought till the final whistle every game.

CHARLES CASSTEVENSON

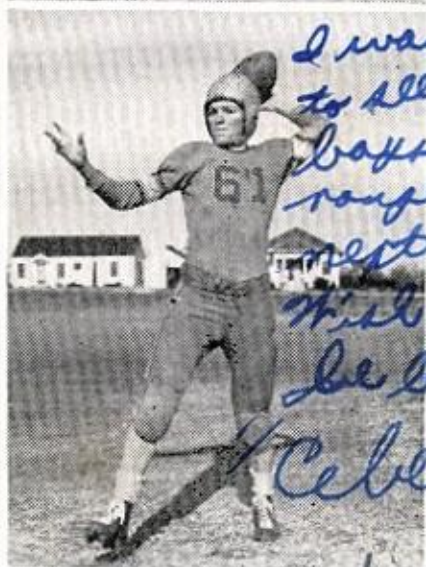

BACK

The smallest but not least man on the team was Casey. He was one of the best passers and punters in the district. His fine playing placed him on the All-District team.

RALPH POTEET

BACK

'Bass,' with the drive of a 200 pounder, was hard to stop when he got going. With his fine experience behind him he knew what to do at the right time. Next season he will certainly be missed.

JAMES WILLINGHAM

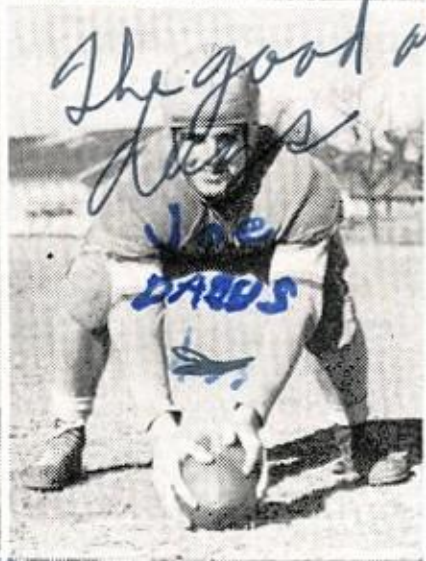

TACKLE

Bulldog was another hard hitting blast of dynamite. He played for keeps and liked it. Dog's fine playing will be sorely missed next season. His position on the All-District team was well earned.

ROBERT CAMERON

BACK

Cebe, nailing up 126 points for the Jackets this year, was ready to go for forty-eight minutes every game. His being a good pass receiver and a good man on defense also earned him a position on the All-District second team.

ALBERT CRAGWALL

TACKLE

Crag's rough blocking and stout defensive playing well earned for him a position on the All-District team. The rougher the opponents, the better Crag liked it. His never die determination made him a great tackle.

JOE DACUS

CENTER

Joe, the hustling center of the team, was always ready to go when the going was the roughest. He was a good center and a very valuable man on defense. Joe really liked the game and put out all he had all the way.

RUFUS HIGGS

END

Bud's outstanding defensive playing earned him an All-District second team position. His ability to snare passes and keep the team full of spirit enabled him to be a fine ball player.

EDWIN LEE BURNETT

GUARD

Ed, a rough and rugged guard, took pride in breaking up the opponents' plays. He was also a good man on offense. Liking the game as he did, he was hard to stop when he got started.

BILLY JOE MOORE

END

Mole really liked football and he was hustling every minute of the game. His ability to snare passes and his speed enabled him to be a good man for the Jackets.

GENE COWAN

END

Yang had the determination, confidence, and coolness of a fine end. Pass plays to Cowan were usually sure to work because he could hang those passes. His ability to stop costly yardage was also good.

BILLY WILLINGHAM

TACKLE

Pup will probably be hard to handle next year. His good blocking and rugged tackling proved him a good all-around player. Much will be expected from him during the next season.

JOE HARRELL

TACKLE

A rough and rugged player was Tucker. He could really get going when he was angry. He wasn't afraid and liked to play the game. Joe did his best work on defense. He was also a good blocker.

WAYNE LANCASTER

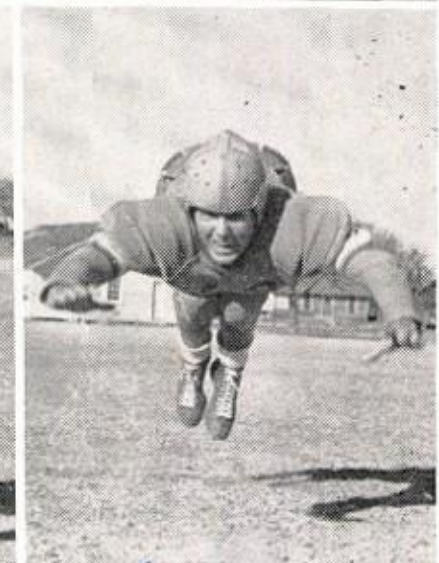

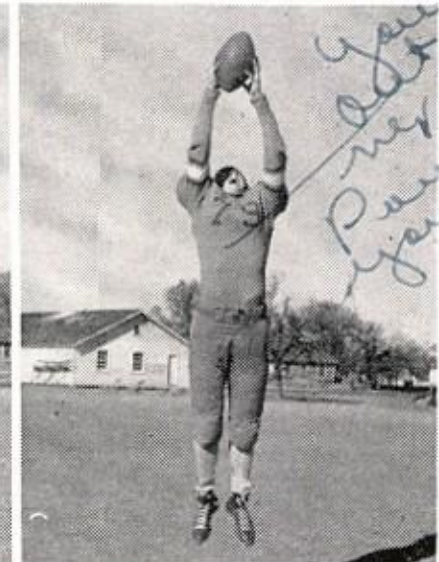

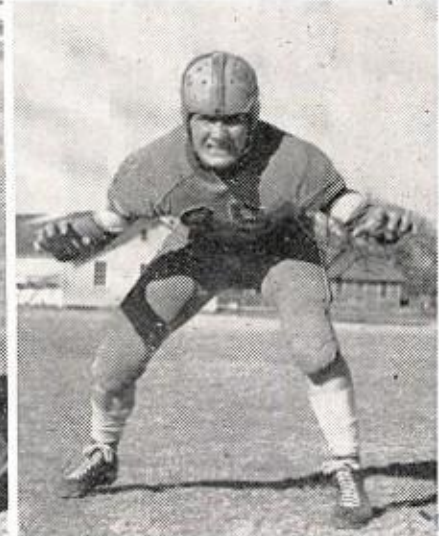

BACK

Looch, being a fast little wingback, proved an able runner and his blocking ability and offensive work showed that he could handle his part of the job.

ROBERT WHITE

BACK

White was a newcomer to the Jackets. Duck Wabble kept the spirit going, and he had the respect of all his team mates. With his ability and hustle much is expected from him next year.

At the first of the season the Yellow Jackets had only one returning letterman, but with a good coach they swiftly rounded into form and showed their ability in a practice game by defeating Lingleville 21-15. This was the first of ten non-conference games that included such teams as Brownwood Morton Valley, Dublin, and Ranger.

The Jackets participated in four tournaments—the Brownwood, Ranger, Stephenville, and the district tournament, which was held at Ranger. In the Brownwood and Ranger tournaments the Jackets failed to rally and were defeated by both Brownwood and Ranger who won their tournaments. In the district tournament the Jackets, after a hard fought game, bowed to the well-known Breckenridge Buckaroos who won the tournament.

One Jacket, Rayford Sullivan, was chosen on the All-District team.

BASKETBALL

RAYFORD SULLIVAN GUARD

Rayford's fine defensive play and his smooth work on the court earned him a position on the All-District team. He was the only returning letterman.

ALBERT CRAGWALL CENTER

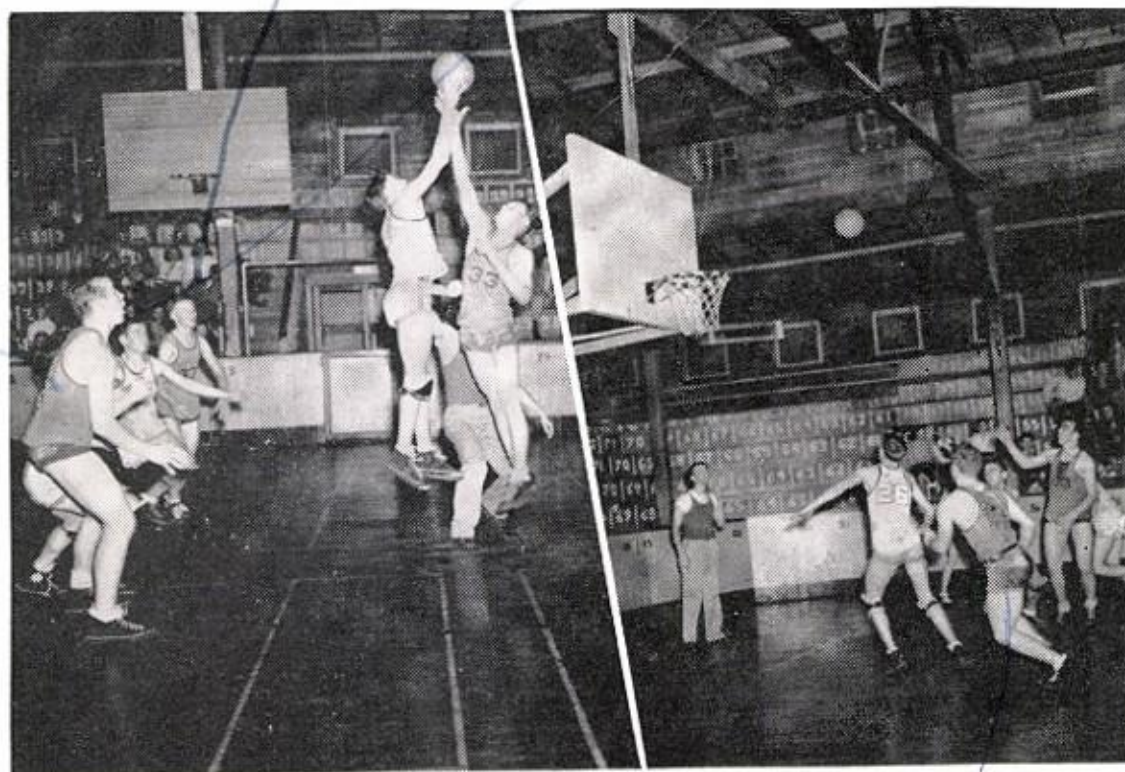

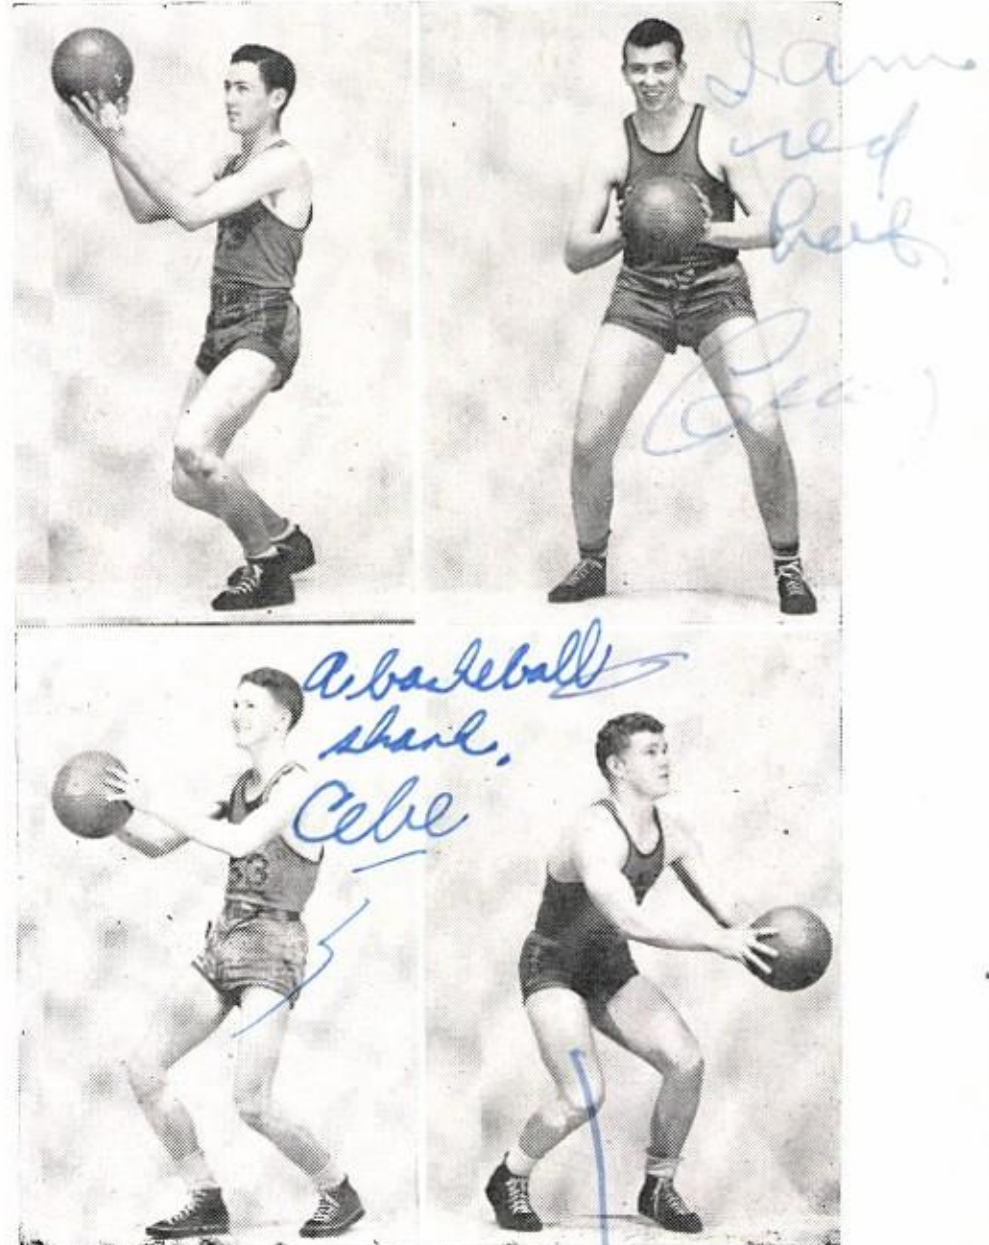

Crag's hustling at all times and never giving the opponents a chance made him a fine center. Crag liked to play the game and he was also a fine shot at the basket.

ROBERT CAMERON GUARD

Cebe's spirit on the court and his speedy moving caused the opponents plenty of trouble. He was a calm, tricky guard and was a good man to have around on defense.

BILLY WILLINGHAM FORWARD

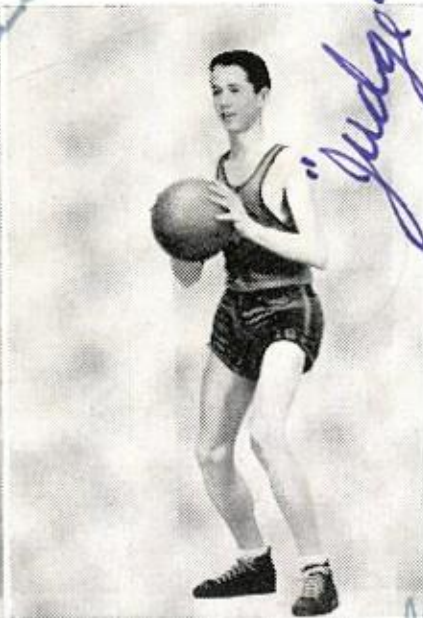

Pup's first year on the court showed much determination and spirit. His constant hustling and his fine ball handling made him a dangerous man to the opponents.

"Sully" gets the tip-off.

BASKETBALL

HARLAN EADES
FORWARD

The dead-eye of the team was Harlan. When he got hot, he was hard to handle. His fine shooting ability and defensive play made him an all-around good player.

W. C. SMITH
FORWARD

W. C., another newcomer to the Jacket squad was small but efficient. His playing will be needed next year in making another good team.

SAM LITTLE
CENTER

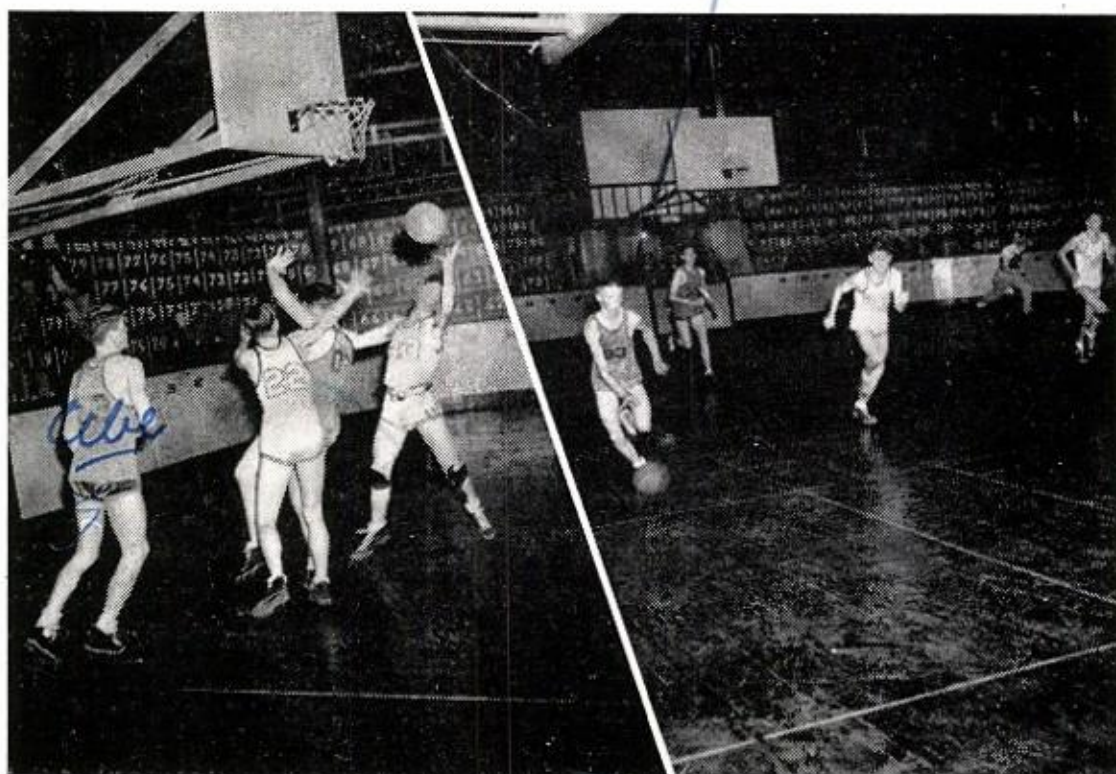

An ambitious ball hawk like Sam was never whipped. He was a prominent player and showed his ability all of the time.

DANNY WOLFE

Wolfe got much experience for his remaining two years. He liked to play the game and always kept up a good spirit. He will be needed next year.

They ran third place, coming out with four first places, for Lancaster won the 100 yard and the 220 yard dashes, and Cameron won the broad jump, and Cragwall took first place in the shot put.

The following week-end the Jackets had a practice meet at Tarleton with several teams from neighboring towns. Our boys took first place in this meet and started looking forward to the district meet.

There they again took first place which qualified them to go to the Regional Meet where Cragwall won the shot put, Cameron won third place in the 300 yard dash and tied for fourth place in the high jump, and Lancaster won fourth in the 220 yard dash.

BILLY JOE MOORE

BORN JANUARY 2, 1927

DIED APRIL 25, 1944

A true friend to everyone and a guiding spirit on the Yellow Jacket Eleven, Billy Joe was loved and respected by all. Because he was one of us our lives are infinitely richer.

Dear Baxter,

Well, Baxter, you thought I was going to write some insults, but I'm going to be sweet; (if I can) and write something nice.

I've been thinking about not seeing everybody next year, and it makes me ~~feel~~ feel terrible. I'm going to miss you more than I can say, and I ~~know~~ know that I'll never meet anyone again that I'll have as much fun with.

Honest, Baxter, you're just about the sweetest, funniest, and all-around best

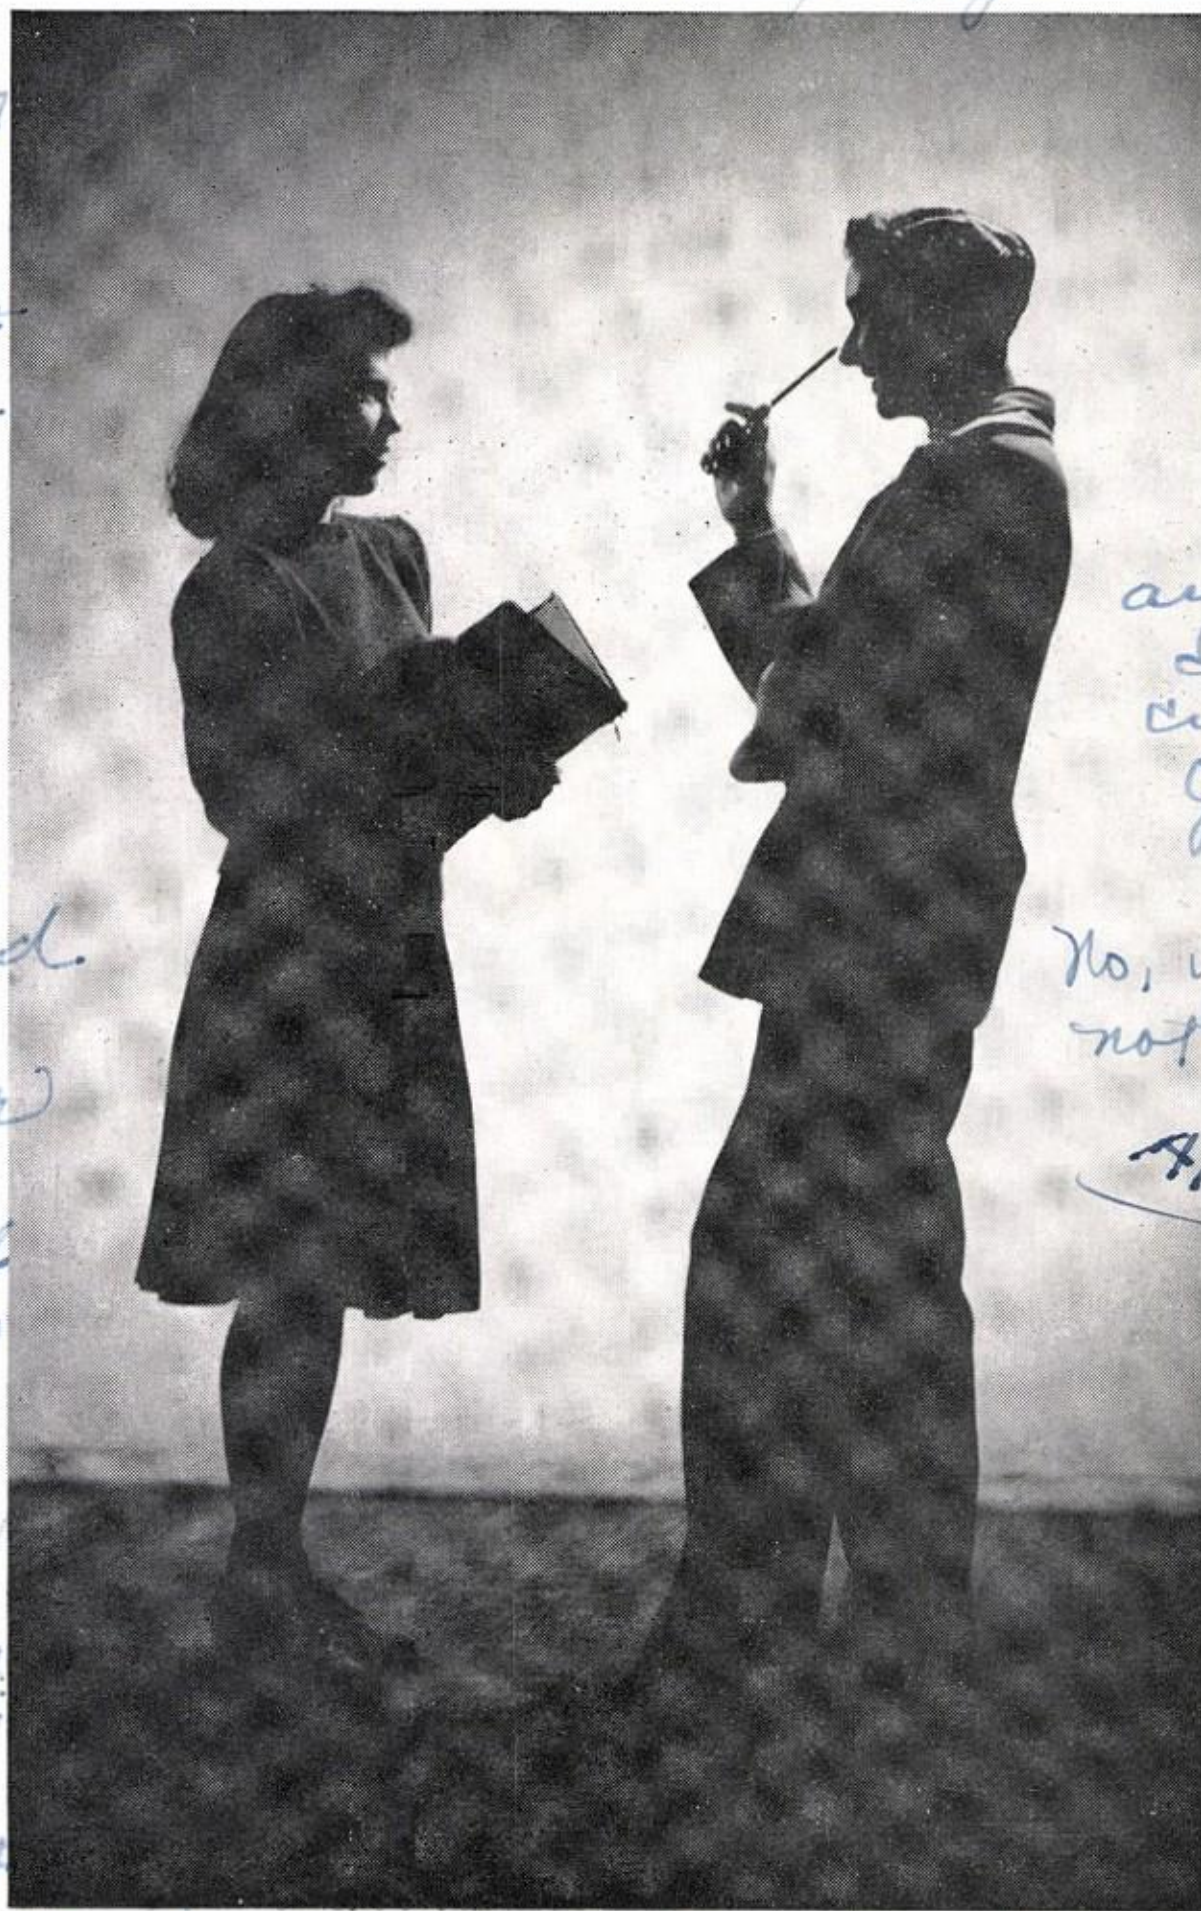

guy I've ever met. Don't forget all the good times at the parties, picnics, and everything. I could never forget you or any of

Student activities and student problems are channeled through the Student Participation Committee. Two representatives, who must have the average grade of 80, are chosen from each home room. This group also helps to create an understanding between students and the faculty.

This organization has sponsored two bond drives in the current year. It has organized fire prevention and civic defense. Edwin Lee Burnett was elected fire chief and Robert Cameron air raid warden. Harold Baxter, Charles Hensarling, and Billy Fred Stafford were chosen for the daily lowering and raising of the flag. The committee appointed the paper staff and nominated the Who's Who. Two lyceum programs were given which the students and faculty enjoyed. The committee appointed Joe Dacus, Mildred Hensarling, and Barbara Rothe to meet with members of the faculty to organize the chapel programs for this year.

The members of the committee feel that they have accomplished much and have helped make this school year one of enjoyment for many.

Because of war-time conditions, it was doubtful whether we could have "The Yellow Jacket" this year. In chapel, however, the majority of the pupils voted to have the book, and so the staff ascertained that an edition could be published, somewhat curtailed but still meeting the high standards of its predecessors. We feel fortunate that we can carry on this tradition and hope it will remain unbroken in the coming years.

The staff, of course, has worked hard and long, but we have had pleasure and satisfaction in solving the problems presented to us and there has been fun, too.

We thank our sponsors, Miss Eoff, Miss Hicks, and Mrs. Smith for their untiring patience and their constant guidance in this work.

The F.H.T. has been a part of many school activities. On November 9, the club entertained the F.F.A. boys with a chili supper. The annual football banquet, held on November 30, was prepared and served by the members. The girls were responsible for the Father and Son Banquet which was given for the school chapter of the Future Farmers of America.

The Homemaking Club was organized in 1929 with the purpose of developing an interest in homemaking for home life. Since that time the club has grown in number and in 1936 succeeded in obtaining a state charter.

"TO THE BLUE AND THE GOLD"
(BY GRACE CHANDLER COLWICK)

Here's a toast to Stephenville High,
We her praises ever sing,
Stand and cheer her name once again;
Loudly may the echoes ring.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

To the Blue—to the Gold—
To our school and its glorious history;
To our faith—to our zeal—
To the days we remember so joyfully.

To the Blue—to the Gold—
May we carry our banner to victory;
To our hopes—to our dreams—
To the world we shall make ours some day.

Here's to all our glorious past,
Here's to our victories won—
Here's to glorious future years,
For our fame has just begun.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

Dear Baxter,

Well, here we are
Jrs. and nearly Bros. that
means not much time
left in S.H.S. It has been
grand knowing some-
one like you all through
my school life. I think
you are just about "it".
Honestly, Harold, I would
not trade knowing and
being around you for
anything. It's been swell.
Remember the play - oh -
and the band - and -
the best clubs anywhere
the K.O.S. and E.W.B.S. They
will even be better next
year, won't they? I know
a lot of the times I've been
around you I have acted
pretty silly but if his real
good from now on maybe
you'll forgive me. Maybe
its he cause you put
one who's around you in

such a good mood.
Anyway, Harold never
change your likable
ways at all. I'm sure
next year you will
even go further in
high school. So here's
wishing you every-
thing you deserve -
the best!!! Let's make
next year the best
yet; if it could be
any better than this
and last - well!

Good luck

and love,

Dear Baxter Betty

 You've really been swell
 to me all the time, and I
 know you always will stay
 that way. You've got what
 it takes to do anything and
 I know you'll make the
 best of it. We've really been
 a lot of places, and done a

 H

Dearest Harold.

It seems like this year has really passed fast. I guess it's just because the clubs have done so much. We have got to keep those clubs going like they were this year.

Harold I. I think you're one of the best favorites our class could have had. I mean it when I say I think you're a wonderful boy. You have the most wonderful mother a boy could have and I think she has helped to make you such a perfect boy.

Believe me when I say everything you ever get in school, or out, it will be well deserved, and your mother deserves to have such a wonderful boy.

Here is to next year. Let's have the best class there has ever been in S.H.S. next year.

Remember this Club,

Jean

Looking forward to a good
